FRIENDLY ACRES: Residents Stay Outside Redwood City

Residents of Friendly Acres were certain of one thing today—they are not and will not be taxpayers of Redwood City for at least another year. Whether or not they will become Redwood City citizens at the end of that time depends upon the city council.

Although some 75 proponents and opponents of the proposed annexation of Friendly Acres to Redwood City appeared before a meeting of the council Monday night and a petition bearing 165 signatures opposed annexation, none of the appeals had any effect on the present situation.

Because the city failed to file a certified copy of the ordinance annexing Friendly Acres before noon Monday with the secretary of state, the matter automatically goes over until such time as the ordinance is filed. In any event, City Atty. Paul A. McCarthy explained, residents of the area involved cannot be placed on the city tax rolls until June 30, 1944, because the time limit for such action this year was Monday.

Thus the annexation proceedings, which had been pending since residents of the area voted 47-33 in favor of becoming part of Redwood City more than three years ago until McCarthy obtained a dismissal of a pending superior court appeal last week, once again are in a state of suspension.

Mayor Floyd D. Granger told representatives of the area that the council had met Saturday night to discuss the situation and, because the city under the present war condition could not provide improvements and benefits promised to the area, voted to hold the matter in abeyance until a later date. McCarthy said he had been instructed by the council not to file a copy of the ordinance before yesterday's deadline.

Opponents of annexation submitted a petition based on three principal charges:

1. The election held in 1939 was not legally conducted.
2. The election does not represent the present population.
3. The city cannot, under present conditions, supply the benefits promised under the original proposition.

The petition was submitted by R. E. Steinebach.

B. J. Smith, speaking in favor of annexation and admitting it was too late to take action at the present time, contended the city had "let us down badly" by not taking action at an earlier date.

"It was through no fault of our own that we aren't already in Redwood City. It was the fault of the city in not being aggressive enough," Smith said. "I understand you can't do anything this year, but there's still a large number of people in Friendly Acres in favor of annexation."

He said most of those in favor of the plan were interested principally in obtaining lower water rates and he contended that the city could have taken over the water system without priorities.

"Most of us would have been satisfied with that this year," he said.

Mayor Granger gave residents assurance they would have an opportunity to express an opinion before any further action is taken and that the annexation would not be prosecuted unless a majority of the taxpayers in the area favored the move.

CITY COUNCIL: Board OK's Traffic Recommendations

Redwood City today prepared to put into effect recommendations of the traffic commission approved at a meeting of the city council Monday night.

Among changes to be made in line with Federal Transportation Director Joseph Eastman's suggestion for elimination of unnecessary stop signs are:

Removal of stop signs on James St. at its intersection with Myrtle, Arguello and Grand Sts. and substitution of slow signs.

Removal of stop signs on Grand St. at James and substitution of slow signs.

Regulation of stop and go traffic signals on El Camino Real, subject to approval of the State High Commission, to operate between 6 a.m. and 7 p.m. instead of 6 a.m. to 11 p.m. as at present.

The council also passed a resolution approving the marking of various portions of streets in the business district red, yellow and green, for no parking, loading and limited parking zones after making seven changes recommended by the traffic commission.

Council also:

Referred to the traffic commission a suggestion that the bus stop at Broadway and El Camino be changed so that buses would not be forced to make left hand turns from a right hand lane.

Approved an appropriation of $200 to the Red Cross War Fund, an increase of $125 over last year's donation.

Noted City Mgr. Robert W. Mead's acceptance of Albert Oneto's resignation as a member of the park and recreation commission because of his entrance into miltary service; noted Mead's subsequent appointment of O. S. Oleson to the vacancy for the unexpired term ending Apr. 12 and appointment of Oleson to succeed himself for a term to end Apr. 12, 1947.

Noted Mead's appointment of Lisle Winter as superintendent Lyle Winter as superintendent of streets at no increase in pay.

Authorized Mayor Floyd D. Granger to appoint a committee to work with a chamber of commerce committee in studying possibilities of establishing a Redwood City hospital in the postwar period after hearing reports that the present Middlefield Rd. Hospital is going out of business.

Tabled until next meeting a report of the priorities committee on pending projects after Councilman Harold F. Anderson, chairman, reported the drainage problem is most serious in the immediate future.

Tabled action on the Redwood City Bus Lines franchise pending action of the State Railroad Commission Thursday on the application of R. F. Martin, operator of the line, for permission to extend his operations outside the city limits.

Approved for postwar completion a planning commission recommendation that the street numbering system on Hopkins and Brewster Aves. and Rogers St. be revised after hearing a report from Mead that new numbers are not available at the present time.

Heard Mead report that curbs will be marked with street names and block numbers in the near future.

Approved applications of six automobile companies for used car lot permits, but denied an application for an extra lot made by Weltner Motor Co. on grounds no such lots should be established on Broadway, where the firm already has set up such an establishment.

Heard a report from Mead that the Russian War Relief store on Broadway is selling only tea and toys imported from Russia, hand made products and second hand clothing in accordance with a permit issued last year. Investigation was made after Councilman Carl Britschgi questioned at the last council meeting whether or not the store was competing with other merchants.

Introduced a weed abatement resolution setting the first meeting in April as time for public protests.

Heard Mead report that parking facilities for the Redwood City ambulance service were being prepared on Marshall St.

Noted Mayor Granger's suggestion that travel of city vehicles be cut to a minimum.

Approved Granger's proposal to ask military authorities for permission to test the city's air raid siren on an all clear signal once a week.

Authorized Mead to contact property owners who have plowed lots for victory gardens and have, as a result, covered the sidewalks with dirt, and to ask them to clear away the debris.

Approved a suggestion of Councilman Louis W. Jenkins Jr. that an addenda to the present city ordinance file of each councilman be prepared and noted Mead's agreement to do the work.

Authorized Mead to investigate possibilities of establishing a parking lot on property facing El Camino Real near James St.

Asked Mead to install additional one-way signs in the alley running behind stores facing Broadway to the parking lot established there.

Heard Granger report receipt of a communication from Gov. Earl Warren's secretary in which he acknowledged a letter from the mayor asking upkeep of Union Cemetery and said he had referred the matter to the director of finance for recommendation.

Introduced a resolution of a state bill providing for state aid to cities for civilian defense purposes.

Acknowledged a communication from the family of Allan McKay expressing appreciation for the city's kindness in their bereavement.

Approved sale of three lots to Louis and Serifina Guianasso, C. S. King and Frank Bracom.

Adjourned in memory of Allan McKay.

TRANSFERS INCLUDED

The following transfers from other boards were also sent by board 106 to San Francisco for induction today: George A. Tilt Jr., from Torrance; John T. Lemanski, from Long Beach; James V. Anderson, from Alturas; Loren E. Anderson, from Wasco; Arthur William Cahow, from Los Angeles; Leon F. Dahl, from Elbow Lake, Minn.; Cesare J. Ricci, from Livingston, Mont., and Russell L. Baston, from Exeter.

Of those who pass their physical examinations today, some will be sent to Monterey or to naval and marine corps stations immediately and those who request seven-day furloughs will be sent for active duty Mar. 9.

Next draft call through board 106 is scheduled from Apr. 1.

McCURDY ESTATE

Jacob E. McCurdy, San Mateo city judge and for many years one of San Mateo County's leading attorneys, left an estate of unestimated value entirely to his widow according to a will on file in superior court here today. The will, dated Nov. 29, 1929, named Hilda McCurdy as sole beneficiary and administratrix.

Call Denies Opposing Increase in Old Age Pensions

Vigorous denial of a recently published story that he was opposed to an increase in the state old age pension was expressed yesterday noon at the Kiwanis Club by Harrison W. Call, assemblyman from San Mateo County.

Call is a member of the legislative committee investigating various proposals for raising pension allotments and he told the Kiwanians that he favors "any equitable increase which will not jeopardize present federal appropriations." At the first meeting of the committe last week a suggestion was made by a Los Angeles plan advocate that all pensions immediately be boosted $10 a month. Call and the majority of the committee opposed such a program on the grounds that it did not consider the federal contributions which carry with them strict regulations as to the amount each state can allow.

"When all the various proposals have been presented to the committee we shall then submit a program to the legislature which will reconvene in Sacramento next Monday," Call said. "I confidently anticipate that the program will call for a justified increase to our older citizens to whom we have a moral and social responsibility, and I am in favor of that. I cannot, however, endorse every scheme which is presented, most of which disregard the conditions under which state funds can be expended."

A survey of the state's tax problem was given to the club by the assemblyman, who pointed out that the so-called $70,000,000 "surplus" is an operating surplus only, and does not take into consideration the more than $100,000,000 bonded indebtedness of California. He praised Governor Warren's administration for cutting more than $100,000,000 already out of the budget ,and predicted that further redutcions would bring the state budget down to approximately $470,000,000.

Call explained his opposition to repeal of the income tax on the grounds that the legislature is the only body which should build a tax structure, and also that if any tax reductions are to be enjoyed they should be passed all along the line—income tax, sales tax, gasoline tax, etc. "We should not reduce taxes to help one class of people alone," he declared; "if theer are reductions to be made, then let every taxpayer in the state share in the benefits."

Chapin Announces Salvage Change

H. R. Chapin, Emerald Lake salvage campaign chairman, announced today that until further notice, salvage from Emerald Lake Highlands, Oak Knoll and Kensington districts will not be accepted at the salvage stations on Oak Knoll Dr. A clean-up collection of salvage was made in these districts Monday and any further contributions should be deposited at whatever points in Redwood City may in the future be designated for that purpose, Chapin explained.

BAY VIEW: Campaign To Start

Bay View Dist. Sector Post has set Mar. 15 as the date to start a scrap metal collection campaign, John Sorritelli, chief air raid warden of the district, announced today following a meeting of the civilian defense group.

Money derived from the scrap metal drive will be used to buy first aid kits for civilian defense workers in that district.

There were 38 present at this week's meeting, including Air Raid Wardens Joseph Heffner, W. E. Dickerson, James Varano, D. Barnum, K. Foster, Myron Reese and Carl Caputo; George Kennedy, owner of the Golden State Mushroom Co. plant, and Mrs. Thomas Flores, new district organizer of women's civilian defense workers. James Clanton, who is now a certified messenger, also was present.

Next meeting of the group will be held Apr. 5 at 8 p.m. at 2761 Spring St. Meetings will be held the first Monday night of each month, according to Sorritelli.

Gans Reports No Black Market

Health Director C. C. Gans said today his office has received no complaints of black market meat operations or of sale of uninspected meats in San Mateo County. He warned buyers, however, to be vigilant in the matter of meat purchases and to make certain that the meat bears proper inspection stamps.

He said the meat shortage may develop into a dangerous health situation if diseased meat finds its way to the market.

He said the only butchering of horse meat reported was found to be for dog consumption only.

Teddy Lauman, OPA board chairman here, said his office has received no complaints on butcher shops in this area.

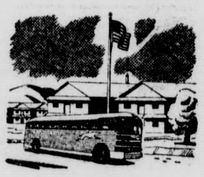
Pinafore

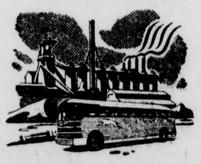
A pert pinafore, slipped on over a clean dress, is not only a good dress protector for an active little girl but is a grand reminder to try to "keep clean." These pretty pinafores may be whipped together in a twinkling, and the shops show many ready-made. Here is one in soft white lawn, with peppermint stripe skirt border applique.

MOVING MANPOWER

That's Our War Job!



TO MILITARY CENTERS



TO WAR PLANTS

TO SHIP YARDS

TO BUSINESS CENTERS

TO RURAL COMMUNITIES

The nation's highways have gone to war. Over them the bus lines are moving vital manpower—military personnel on important missions—selectees to induction centers—farmers on their "must" trips—workers to war plants and shipyards—business men and women on their essential activities.

Greyhound is concentrating on this wartime job, keeping its buses rolling over a vast network of routes. At the same time we are saving precious rubber, fuel and steel by mass transportation of war travelers and by expert maintenance and operating efficiency.

We are putting everything we have into the war effort ... glad that our broad experience, widespread facilities and skilled personnel are available for the vital job of moving manpower.

With your cooperation, we shall continue to *keep the highways at work for Victory.*

WARTIME TRAVEL SUGGESTIONS

You will help the war effort and will have a better trip if you will follow these suggestions:

1. *Consult your Greyhound agent in advance for useful travel information.*
2. *Avoid delay by purchasing your ticket well ahead of time.*
3. *Travel in mid-week, rather than on week-ends.*
4. *Carry as little baggage as you conveniently can.*

Grange Backs Rickenbacker

EAST PALO ALTO—Deploring the attack on Capt. Eddie Rickenbacker by David G. Levitt, aircraft union member who called the ace "the No. 1 hero of World War I and the No. 2 rat of the present war," East Palo Alto Grange members went on record Tuesday with a resolution declaring that "such statements are highly unpatriotic and should not go unchallenged by other Americans."

The resolution, introduced by Mrs. Mona Christensen at the Ravenswood School auditorium meeting and unanimousy adopted, characterized Rickenbacker as "an outstanding American citizen, a gentleman, and a World War hero."

Levitt's attack was made at a union rally in Los Angeles Sunday. After calling Rickenbacker the "No. 2 rat of the present war," he added, "it's too bad they saved him."

Train Kills M.P. Man In S.S.F.

Arthur Clay Pritchard, 61, Menlo Park shipfitter's helper employed at Western Pipe & Steel Co. in South San Francisco, was instantly killed at 4:35 p.m. Monday when he was struck by a southbound Southern Pacific train at the Butler Rd. crossing in South San Francisco, police reported today.

Police Chief Louis Belloni said Pritchard walked in front of the train despite efforts of Flagman Sotero A. Burnel to stop him. The body was hurled 78 feet.

Belloni said hundreds of shipyard workers were leaving the South San Francisco plant at the time. The accident was witnessed by George W. Nance, 531 Chestnut St., San Carlos. Engineer of the commuter train was B. A. Bradford, and the fireman was Eugene Bacher, both of San Francisco. The train stops at the Butler Rd. crossing.

Pritchard was the husband of Nemie Pritchard of Menlo Park and the father of eight children: Herbert Pritchard, who lives in Mountain View; Henry Pritchard, now in the army; Loren, Vada, Crystal, Louise, Rachel and Dorothy Pritchard. He was a native of Arkansas.

Funeral services were conducted from the Franklin & Crowe Mortuary, Redwood City, under direction of Nauman & Muzio.

During wartime, when kitchen ware is at a premium, it's important to recognize quality utensils. Good porcelain enameled ware is characterized by well-rounded beads, easy-to-grip handles, wide bottoms, and close fitting covers.

HIGH SCHOOL: Sequoia Wins Flag For War Stamps Sales During February

The Treasury Department's "Minute Man" flag will continue to fly over Sequoia High School during the month of March, Edwin Hunt, chairman of the school stamp and bond sales committee, announced today, revealing that 93.28 per cent of the students purchased the U. S. securities last month. To win the flag, 92 per cent of the students must make purchases during the month.

STUDENT SPEAKERS

Eight seniors at Sequoia have applied for consideration as speakers for the June commencement exercises, Louise Linton, public speaking instructor, said today. Of the eight, three will be chosen to deliver addresses at the graduation ceremonies.

The students—Mimi Lebo, June Ekman, Georgina Needham, Patsy Merrill, Joyce MacKenzie, Robert Conner and Robert Kalsey—have organized a discussion group to study "Responsibility of This Generation After the War" as a general basis for the June speeches. Other seniors may yet join the group, which intends to study community problems after the speakers have been chosen, according to Miss Linton.

PAY ASSEMBLY

Funds for the victory garden prizes will be raised at the pay assembly for students Apr. 8 and evening public concert Apr. 9 at Sequoia, according to Otis M. Carrington, director of the choral department, who added that the assembly will take the place of the annual spring concert of the music department.

An operetta. "Life on the Farm," composed by Carrington, will be presented with 100 voices and the high school orchestra under Max Gelber's direction.

The cast thus far consists of Bruce McNeil, Uncle Bob; Joyce MacKenzie, Mrs. O'Brien; Nancy Ann Squires, Rosalie; Maujea Schmidt, Millicent; Pat Dolan, Martha, and Don Gaylord, Nick. As yet, three of the leading parts in the production have not been assigned.

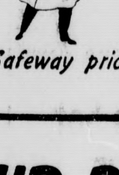
School Holds Two Validation Stamps

During rationing at Washington School last week two persons received books without the required validation stamps, Principal M. W. Tackitt, reported today. Those stamps are being held and will be affixed to the books if the owners will call at his office, he said.

Ration books without the validation stamp are not usable, it was pointed out.

SAFEWAY
Homemakers' Guide

Point ration shopping will take you longer



... because you will have to plan and figure your purchases in points as well as in money. You will save time for yourself ... and incidentally it will help us ... if you shop early in the day and early in the week.

Safeway prices are good Tues. through Sat.

All advertised items subject to having stock on hand and price changes made necessary through new regulations from the Office of Price Administration.

Point Ration Shopping Hints

Our Government, newspapers, radio stations and your Safeway Store are all doing everything they can to make sure you know how to shop under point rationing ... the plan designed to make sure that everybody gets his fair share of the food available. You can do your part to make the new ration plan work smoothly by keeping in mind the simple rules listed below before you shop for the first time under point rationing.

KNOW that:

(1) Point values have nothing to do with dollars-and-cents prices. You have to give the money price and the point stamp price for every purchase in a rationed group.

(2) You have freedom of choice in using your points to buy any rationed item, provided it is available.

(3) If you buy foods with a low point value you will be able to buy more of the articles in the same rationed group.

(4) Point values of all rationed foods are set by the Government and not by the storekeeper or by the manufacturer.

(5) You are not permitted to buy point rationed items, at any store, without giving point stamps ... even on a charge account.

(6) High point stamps should be used when buying a number of rationed items at one time. Conserve your low point stamps as storekeepers cannot give you ration stamps in change.

(7) Loose stamps are not valid. Stamps must be torn out of your ration book at the time of purchase and in the presence of your grocer.

Now When You Go Shopping ...
REMEMBER to:

(1) Allow plenty of time for your shopping under point rationing ... it takes longer. Best time to shop is early in the week and early in the day.

(2) Be sure and take your War Ration Book No. 2 with you. No stamps ... no rationed items.

(3) Take your point value chart along with you, too, for convenience. While our store will have price and point values clearly marked on the shelves and on the merchandise, your list will serve as a double check and save lots of extra steps and confusion.

AND

You'll enjoy shopping at your Safeway Store because you can take all the time you want without embarrassment or a sense of feeling hurried. Since you are waiting on yourself, no one cares how many times you change your mind or exchange one can for another before you reach the check-out stand.

BUT

If you do want help ... if some point is not clear ... we have a specially trained clerk in each store, wearing a badge that reads "Information", to help you. It's his job to answer your questions cheerfully and in detail. So, don't hesitate to ask him your questions.

THIS, TOO, IS A *Task Force*

—and the task is War. Under the busy fingers of the long distance operators flow messages that move troops, locate and assemble supplies...that help to build ships, guns, tanks and planes.

To handle the gigantic volume of long distance calls, we could use more equipment if we could get it. But that would draw upon critical war materials that are needed at the fighting fronts.

School To Observe Conservation Week

Conservation week, Mar. 7-14, will be observed in John Gill School with appropriate programs in which all classes take part. The concluding feature will be a garden planting ceremony on the school grounds, the principal, Homer P. Spellenburg, said today.

This occasion takes the place of the former tree planting ceremony and is keeping in line with the planting of victory gardens to aid the war effort, the principal pointed out.

For years the Fuggers, 16th century German bankers and industrialists, made 54½ per cent on their money.

Port Fall Ends Life Of Worker

George Herndon, 1001 Weeks St., East Palo Alto, died at Mills Memorial Hospital in San Mateo at 10 a.m. Monday after falling 13 feet from a crib timber at the Pacific Bridge Co. at the Port of Redwood City at 9:25 a.m.

Herndon's head struck another timber in the fall, causing a skull fracture. A timber which Herndon evidently thought he was stepping on was moved just as he took the fatal step, an official at the construction firm said. The mishap was witnessed by a number of fellow workers

Herndon was transferred to the Port of Redwood City from Hunter's Point. He had been employed by the Pacific Bridge Co. for 11 months.

Herndon is survived by his wife, Daisy Belle Herndon, and two sons, George Herndon Jr., 7, and John William Herndon, 4½.

NATURAL GAS RATE CUT
Effective Feb. 15, 1943
SAVES CUSTOMERS
$1,450,000 per year
7
MAJOR RATE CUTS SINCE 1930
After months of study of changing population densities and increased per capita usage of Natural Gas, the California State Railroad Commission ordered a general downward revision of gas rates, effective on February 15th. This reduction brings a saving to our customers that will amount to $1,450,000 per year. It is a saving that accumulates with each gallon of water that is heated, each meal that is cooked and each hour your home is heated by Natural Gas.
We urge our customers to hold on to this saving in the daily cost of living. Be economical in the use of Natural Gas. Be thrifty with your Gas Range. Guard against overheating your home. Stop wasteful use of hot water. Remember Natural Gas is doing a big and vital job in war industries. Army camps and war worker dwellings need it, too, in increasing quantity. Keep your use of Natural Gas down to essential need, save gas and money.

Montgomery Ward's Statement TO THE NATIONAL WAR LABOR BOARD

February 27, 1943

National War Labor Board
Washington, D. C.

Gentlemen:

A National War Labor Board panel has recommended that the Board issue another order against Montgomery Ward and Co. imposing upon Wards' six large stores in Denver, Detroit and New York City:

1. A form of closed shop, called "maintenance of membership," together with a check-off of union dues from wages.

2. Compulsory arbitration of any question the union wishes to raise.

Wards objects to the proposed order for these reasons:

1. The War Labor Board is without authority. Congress, the only law-making authority under the Constitution, has not empowered the Board to order any employer to adopt these requirements.

2. The War Labor Board, by ordering a closed shop in this case, will be furthering disrespect for constitutional authority. The Board is attempting to assume a power to make rules and laws by executive fiat alone. The public is being deceived into believing that the Board's orders have the force of law, when in fact they have no such effect. Employees are being confused and deceived into believing that their government desires them to join labor unions when in fact the national policy as declared by Congress is that employees are free to join or not, as they wish. Thus the Board is destroying the very essence of democracy, the right of the people to make laws through those whom the people elect for that purpose.

3. The War Labor Board, by promiscuously granting some form of the closed shop, is destroying the laws constitutionally enacted by Congress. The National Labor Relations Act endorses, guarantees and encourages the process of collective bargaining. The orders of this Board, however, have led the unions to abandon collective bargaining. The union in this case has rushed to the War Labor Board in the conviction that the Board will grant more than it could obtain through collective bargaining, the procedure which Congress has sought to protect and encourage. Other unions are following the same course. Thus the Board, by this proceeding and by its policies as proclaimed in other proceedings of this nature, is nullifying the public policy of the nation as declared by Congress and set forth in the National Labor Relations Act. Laws passed by Congress, the only law-making authority under our Constitution, can not legally be repealed by executive decree.

4. The proposed order would require Wards to violate the law. It would require Wards, first, to interfere with the free choice of its employees to resign from the union; second, to give support to the union by a check-off of union dues; and third, to discriminate against employees if they resign their membership in the union, all in direct violation of the National Labor Relations Act.

5. Wards operates in a highly competitive field composed of one million seven hundred fifty thousand retail establishments. It is unfair to impose burdens upon Wards and not upon those with whom it is in competition. If the retail industry is to be subjected to the closed shop and arbitration requirements, they should be legislated by Congress and applied uniformly against all retail establishments.

6. The proposed order would require Wards to surrender to outside arbitrators the final decision on all matters which the union may wish to treat as grievances. Thus Wards' sixty thousand shareholders would be deprived of the right to direct, through the management they select, the affairs of the corporation they own.

7. Under this "maintenance of membership" form of closed shop, employees are not free to resign from the union without losing their jobs. Wards is compelled to discharge every union member who fails to maintain his union membership in good standing (non-payment of dues, etc.). "Maintenance of membership" is the starting phase which inevitably leads to the full closed shop and a labor monopoly.

8. The proposed order violates the fundamental principles of liberty. Liberty requires that an employee be free to join, to refuse to join, or to resign from a union without losing his job. Liberty requires that an employer be free to employ the person best suited for the work.

9. Wards has consistently defended these principles of liberty. In times of peace, Wards successfully denied all demands for the closed shop in any form. Two years ago the Teamsters' Union, in an effort to force a closed shop, maintained a vicious seven months strike against Wards' retail stores and mail order houses on the Pacific Coast. Two mail order houses and six retail stores were forced to close, forty-three other stores were picketed, and Wards suffered damages exceeding two million dollars. Employees were slugged, customers abused, and property destroyed. The railroads, the express companies, the truckers and finally the United States Post Office obeyed the demands of the union and, with total disregard for their obligations to the public and in violation of law, refused service to Wards and its customers. Nevertheless, Wards, while announcing its willingness to bargain and to contract with the union, refused to compromise the principles it was defending. The strike did not end until the union, in writing, withdrew its demand for a closed shop.

Even if the War Labor Board had the authority which it lacks, it should not, in time of war, when sacrifices are demanded of all, grant to any union a privilege it could not have obtained in time of peace.

Wards has no quarrel with legitimate union practices. However, Wards strongly opposes the War Labor Board's illegitimate attempts to sabotage our laws and to socialize all industry, ostensibly as a part of the war effort.

Wards desires to continue to obey the law, to preserve constitutional government, to maintain management by ownership, to remain competitive, and to leave its employees free to belong or not to belong to a union as they wish.

In accordance with these principles Wards must reject any proposals which require it to enter into contracts which it believes to be illegal, or to surrender principles which it considers to be fundamental. In so doing, Wards is taking the course which good citizenship requires.

DEMOLAY: R.C. Chapter Installs Officers

William Gillespie, Coleman Ave. and Willow Rd., North Palo Alto, was installed recently as master counselor of Redwood City Chapter, Order of DeMolay, along with ten other Redwood City young men to complete the roster of new officers for the order.

Ray Macway was seated as senior counselor, Bob Linn as junior counselor, Charles Day as senior deacon, Richard Everett as junior deacon, Bruce Brown as senior steward, Jerry Gleason as junior steward, Allen Martin as chaplain, Ted Hammer as standard bearer, Stanley Baker as sentinel and Allen McDonald as marshal.

The installing team was composed of past master counselors of the order with John Philip acting as installing officer. He was assisted by Hugo Endrigo as senior counselor, George Baron as junior counselor, Henry Kalteren as chaplain, T. M. Cole Jr. as marshal and Jim Cole as senior deacon. T. M. Cole Sr. was master of ceremonies.

Following the ceremonies, members of the DeMolay and their guests participated in an evening of dancing. Patrons and patronesses were Mr. and Mrs. G. E. Starrs, Mr. and Mrs. L. M. Barnett and Mrs. Earl Hook.

The new master counselor is a son of Mr. and Mrs. J. M. Gillespie of the North Palo Alto address. Mrs. Gillespie was present for the installation rites.

Burlingame Woman Wins Divorce

Elizabeth S. Adams of Burlingame, today had secured a quickie divorce from John L. Adams, former sales representative and now a lieutenant (jg) in the U. S. Navy.

Mrs. Adams won custody of their 10-year-old son, Harry, and $190 monthly for their support.

She accused her husband of adultery, charging that he had been indiscreet with various persons, "and particularly with a certain person in the City of New York within a period of the last 90 days."

Red Cross Leaders Appeal for Doubled Contributions

Services to the armed forces, assistance to prisoners of war, preparation of surgical dressings, collection of blood for the wounded, supplying of army and navy nurses, preparedness for bombing, shell fire and sabotage—those are a few of the jobs assigned to the American Red Cross by the people of America.

To carry on these many tasks, the Red Cross must have money—millions—and that is why the Redwood City chapter is campaigning for $27,600 here and in Menlo Park and Atherton, according to Mrs. Z. T. Thorning, chapter chairman. The drive in this locality is part of the national 1943 War Fund campaign.

"Give double this year," said Mrs. William A. Baxter of the speakers' bureau.

"Not all of us can fight. Not all of us are expected to, but all of us can minister to the suffering of those who fight for us," she said today.

"We cannot break faith with those who face death in our behalf. We must give of our time and money to let our sons and friends in uniform know that we are not indifferent to their dangers and hardships.

"Redwood City chapter's part in that work will require $27,600. This affords you an opportunity. How much will you invest in this service which will assure our soldiers and sailors that the cause of humanity is worth fighting for?"

Mrs. Baxter presented the following list of what gifts to the Red Cross can provide men and civilians:

Contents of a kit bag for an embarking soldier, $1.

Hospital comforts for wounded men, made by volunteers, $5.

Hot cakes and maple syrup for a crowd of American boys in Australia, $10.

Training for 20 soldiers or sailors as water safety instructors needed today by the armed services, $100.

Training of a nurse's aide, $10 or $15.

Package of food for a prisoner of war, $2.75.

Equipment for training neighborhood groups in first aid, $20.

Motion pictures in service hospital recreation buildings, $20.

Support of a Red Cross service man's club abroad, $1,000.

Care during home emergency situation in the family of an enlisted man, $25.

Support of blood procurement center, $500.

Hospital care for a service man's wife during confinement, $50.

Mobile canteen to serve troops in transit, $1,500.

Aid in providing field director service to give counsel and recreation to U. S. troops abroad, $5,000.

As the campaign to raise funds to maintain these many services continues slowly, the Red Cross chapter requests that commuters give at home as well as in the city where they work.

Juveniles Jailed On Theft Charges

Two Sharp Park juveniles were jailed by the California Highway Patrol early Sunday and charged with the theft of two automobiles, one from John Nolan in Sharp Park and the other from R. T. Langford Currie, 904 Arlington Rd., Redwood City. The boys told officers they took the Nolan car Saturday, drove to La Honda and Redwood City where it broke down. Here they stole the Currie vehicle and towed the Nelson car to Sneath Ln. near Tanforan, San Bruno, where it broke down. Police found them asleep in the car.

Dep. Sheriff Al Coe of Sharp Park said he believed the youngsters were guilty of stealing another Sharp Park car Friday.

Port Commissioners Sign Agreement

Commissioners of the Port of Redwood City last night signed an agreement with the Southern Pacific Co. to install an additional 800 feet of railway track at the port, A. A. Moran, port manager, announced today. The spur, which will be installed at a cost of about $3500, will run from the main Southern Pacific tracks on Harbor Blvd. to the warehouse at the port. The commission had voted to lengthen the track at a December meeting.
